

Crown Castle's business model is built around long-term investment—we intend to be the last owner of our assets. Our Policy ("Policy") with guidance from the principles from recognized international standards and voluntary initiatives including, but not limited to, the following:

- The UN Sustainable Development Goals (SDG)
- The Paris Agreement
- The Ten Principles of the UN Global Compact
- Global Reporting Initiative (GRI) Standards
- Task Force on Climate-Related Financial Disclosure (TCFD) Recommendations
- Sustainability Accounting Standards Board (SASB) Standards
- Carbon Disclosure Project (CDP) global disclosure system

Environmental Oversight

Crown Castle's Board of Directors ("Board"), including through its committees, oversees climate-related risks as part of its broader annual enterprise risk assessment. The risk assessment process takes place throughout the year at regularly scheduled meetings of the Board and its committees. The Nominating, Environmental, Social and Governance Committee ("NESG Committee") assists the Board in overseeing our environmental strategies, goals and initiatives and receives quarterly updates from senior management regarding our risks, opportunities, priorities, initiatives and progress toward goals.
