

Ultra-Low Latency

With our Ultra-Low Latency solution, financial institutions, media companies and other corporations can transport critical

Key Benefits

Performance

We are a long-term owner of approximately 85,000 route miles of fiber, giving you access to one of the largest and densest networks in the country—ensuring best-in-class latencies while minimizing service disruptions.

Reliability

All of our Ultra-Low Latency solutions are backed by a Service Level Agreement, giving you peace of mind.

Flexibility

We work closely with you to design and configure your network according to your needs, and we give you the ability to upgrade your bandwidth between 1Gbps and 10Gbps at any time.

Our Solutions

- › Towers
- › Small cells
- › Dark Fiber
- › Ethernet
- › Wavelength
- › Managed SD-WAN
- › Internet Access
- › Private Networks
- › Colocation
- › Cloud Connect
- › Optical Encryption
- › DDoS Defense
- › Bandwidth on Demand
- › Fixed Wireless
- › **Ultra-Low Latency**
- › Video Transport

Key Features

- › The most direct fiber routes within the New York, New Jersey and Chicago financial markets
- › Point-to-point optical Wavelength and Dark Fiber solutions
- › Custom networking designs and flexible configurations

Ultra-low latency network locations

- › 1400 Federal Boulevard, Carteret, NJ
- › 165 Halsey Street, Newark, NJ
- › 755 Secaucus Avenue, Secaucus, NJ
- › 111 8th Avenue, New York, NY
- › 60 Hudson Street, New York, NY
- › 1919 Park Avenue, Weehawken, NJ
- › 300 JFK Boulevard East, Weehawken, NJ
- › 1700 MacArthur Boulevard, Mahwah, NJ
- › 2905 Diehl Road, Aurora, IL
- › 350 East Cermak Road, Chicago, IL

Crown Castle owns, operates and leases more than 40,000 cell towers and approximately 85,000 route miles of fiber supporting small cells and fiber solutions across every major US market. This nationwide portfolio of communications infrastructure connects cities and communities to essential data, technology and wireless service—bringing information, ideas and innovations to the people and businesses that need them.
