SECTION 3-DESCRIPTION OF SERVICES OFFERED

3.2 LOCAL PRIVATE LINE SERVICE (cont'd)

3.2.2 Application of Rates and Charges (cont'd)

- C. Local Private Line Service rates in effect at the time the service is installed and/or as of the service order application date will be applicable until the expiration of the service commitment period. At the expiration of the Customer's commitment period, the Customer may select a new payment period option at current rates or revert to current rates on a month-to-month basis.

- D. In lieu of the rates otherwise set forth in this tariff, rates and charges, including minimum usage, installation, special construction and recurring charges for the Company services may be established at negotiated rates on an ICB, taking into account the nature of the facilities and services, the costs of construction and operation, the volume of traffic, the length of service commitment by the customer, and use of facilities by other customers. Such arrangements shall be considered

special pricing arrangements, the terms of which will be set forth in individual customer contracts. However, unless otherwise specified, the terms, conditions,
